

Documento 3. Proposal template (max. 2 pages)

Please provide a summary presentation of the research proposal

1. Description of your project (1 page max.):

- the state-of-the-art in your research field and the knowledge gap/problem you are going to address.
- the objectives of your project.

2. Quality of supervision and integration in team/institution (1/2 page):

Shortly explain:

- the rationale for choosing the host organization to develop your research project
- how your supervisor's qualifications and experience is consistent and match with your proposed research. Please:
 - *list up to 5 relevant publications co-produced by your supervisor linked to the topic of your proposal.*
 - *list up to 5 relevant EU, national or international research and training actions/projects linked to the topic of your proposal, in which USC has previously participated and/or is currently participating.*

3. Potential for enhancing your future career prospects after the fellowship (1/2 page):

Briefly describe:

- the new knowledge and new skills (including transversal skills) you would like to acquire during the fellowship.
- how the new competences and skills will have an impact on your future career prospects after the fellowship (Explicitly outline your career goals).
